Sector: **biotechnology services > contract research**

Profile: Gwathmey, Inc. is a preclinical contract research organization (CRO) based in Cambridge, MA. Gwathmey has earned its world-class reputation by accelerating the drug discovery process through the development and use of in vitro assays and biologically relevant animal models in order to identify and validate lead compounds.

Look to Gwathmey as your partner in drug discovery - we accelerate the drug discovery process with highly skilled and experienced staff to validate your leads and help move them rapidly into the clinic.

Services: Gwathmey's core capabilities are proof-of-concept, efficacy and safety testing. We perform a full range of ADMET studies and analytics including PK/PD, biodistribution, and LC/MS. Gwathmey, Inc. performs both GLP and non-GLP studies.

Gwathmey, Inc. works primarily in the following therapeutic areas:

- Cardiovascular Disease
- Infectious Disease
- Oncology
- Arthritis
- Diabetes
- CNS
