**Sector:**

**biotech services > consulting > marketing & advertizing**

**Profile:**

The Consulting, Advisory and Marketing Intelligence firm transADVANCis serves Executives at Nano-Life Science Industries through Strategic Reports. The Strategic Reports published by transADVANCis provide Advisory and know how about Strategies, Methodologies and Processes that Companies can adopt and implement on their businesses in order to give significant (or crucial) steps. The aim of those Strategic Reports is to help executives having a better perception of how, when and where their Company funds and time can be invested successfully in order to increase Brand Equity, to enhance Brand Image, to increase Brand Credibility/Trustworthiness, Brand Reputation and Brand Loyalty and, as a consequence, to increase Sales Figures, to enhance Company Image and to maximize Profitability. All this at an affordable value.

**Services:**

“The Web Advertising Media serving The Life Science International Theatre: A Strategic Report for Executives @ Nano-Life Science Industries.”
